

International building code updates: What contractors and building officials need to know before working a project

Attend an educational seminar about changes made because of Minnesota’s adoption of the 2013 building code. This seminar provides eight hours of continuing education credits, which includes one hour of energy code training, for contractor and building official relicensing requirements.

- When:** 7:30 a.m. to 4:30 p.m., Thursday, March 28
- Where:** Public Safety Center
Third floor conference room
710 South Front Street, Mankato, MN 56001
- Parking:** Upper floor of Public Safety Center ramp, parking lot next to the public safety ramp, or use on-street parking. (Please do not park in front of the strip mall because vehicles will be towed.)
- Cost:** \$65 (includes lunch)

Register by: Friday, March 22, 2013

Advanced registration is required.
