City of MANKATO

Leading the way...

The city of Mankato will flush water mains from Sunday, April 28 through Friday, May 3. Flushing hours are scheduled from 8:30 p.m. to 5 a.m. daily to ensure convenience for residents. Water mains are routinely flushed to clean the distribution system. Avoid or limit water usage during flushing operations, because although the water is safe to drink, it may stain. It is best to allow at least an hour after daily flushing operations for the water to clear.

For more information contact public works-water at 507-387-8661 (24-hour service) or Tony Talamantez, Mankato's infrastructure superintendent, at 507-387-8663 or ttalamantez@city.mankato.mn.us.
