ANNUAL WEED NOTICE

Notice is hereby given to each person who owns, occupies, or controls land in the city of Mankato to cut or spray all weeds and grass taller than 12 inches.

Noxious weeds and grass taller than 12 inches are considered a nuisance. It is the property owner's responsibility to control weeds on their property and any abutting boulevard or alley. If a property owner fails to control weeds on their property, the city may cut the nuisance weeds and bill the owner for the work done. Any posted properties will be charged a $60 administrative fee. If the city contractor mows the property, then another $60 administrative fee will be charged plus the cost of mowing.

As per Chapter 6, Section 6.04, Subdivisions 10 through 13.

Maintaining the quality and appearance of our homes and property is important because it enhances community livability and keeps property values high. To keep Mankato looking its best, citizen help is needed. When yards, boulevards and alleys are not maintained it becomes a nuisance for everyone. City ordinances exist to protect and ensure Mankato's quality of life.
