## Proposed impact

*Although the unit cost of water (\$3.36) and wastewater (\$3.42) remains the same for 2015, there are other changes that will affect utility users.*

- Single family households
  - decrease in cost of service (water and wastewater) of \$2.31 per month
- Multi-family residences
  - decrease in billing charges (only applied to one unit per facility)
  - increase in new combined water and wastewater fixed cost of service applied to each unit
    - Note: \$1.20 billing fee will only be applied to first residential unit for any residential unit that has more than one residence (i.e., apartment complex). The first unit is charged \$10.25. Each residential unit thereafter is charged \$9.05.*
- Large water users (5/8-inch or larger meters)
  - fixed cost of service based on meter size

*Current rates are available online at [www.mankato-mn.gov/UtilityRates/Page.aspx](http://www.mankato-mn.gov/UtilityRates/Page.aspx).*

Mankato's utilities include water, wastewater, stormwater, street lights, curbside recycling and refuse pick-up.
