

You're Invited!

Plan to attend an open house to view enhancements and tour Mankato's water treatment plant.

Mankato's plant upgrades:

- ◆ helps the plant operate at maximum efficiency to be sustainable
- ◆ conserves energy and costs
- ◆ boosts water quality
- ◆ improves security
- ◆ increases capacity for future demand
- ◆ draws approximately 80 percent from surface wells instead of deep well water supply

3 p.m. to 6 p.m.
Thursday, June 23, 2011
730 Mound Avenue
Mankato, Minn.

For more information call 507-387-8692
